

Rates for Live Presentations by Ron Unger LCSW

The usual rate for a live seminar is \$150 per hour, or \$900 for a 6 hour seminar.

Travel, if required, is additional. For travel I would need to be reimbursed for all travel costs including lodging, plus \$75 an hour for time spent travelling. That means time to travel from my home to lodging near the teaching site.

Costs may be more for addressing topics I have not covered previously, to address preparation time needed.

Please contact me for additional details.
